INTRODUCTION

Inuvik Region Community Survey - June 1971

This summation of information has been compiled in cooperation with the Inuvik Region Housing Office and other Federal and Territorial Government departments as well as assistance from private business. The information is ever changing and is considered in some respects as a preliminary report. Any required changes for subsequent publication should be brought to the attention of the Department of Continuing and Special Education, Education Office, Inuvik.

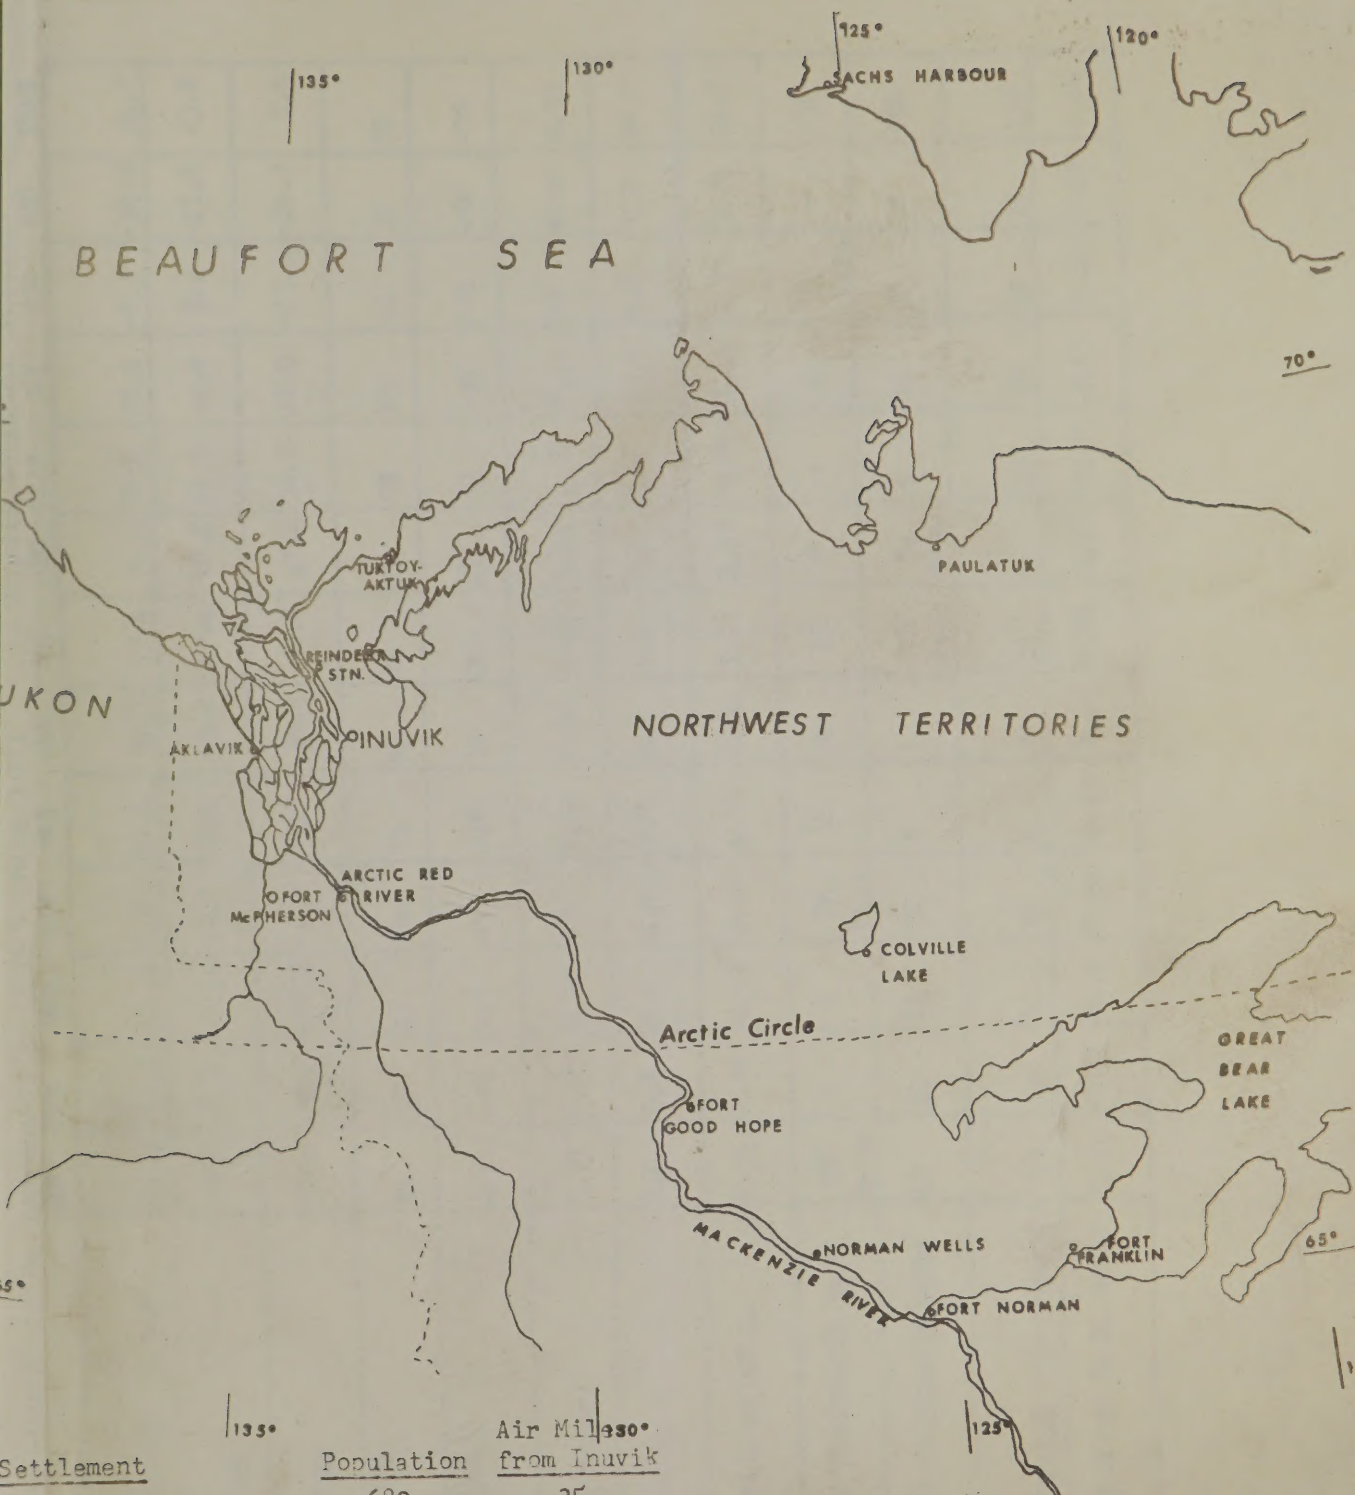

Cynthia Hill
Continuing and Special Education
Government of the N.W.T., Inuvik, N.W.T.
June 21, 1971

INSTRUCTIONS

To the Honorable Secretary of the Navy, Washington, D.C.

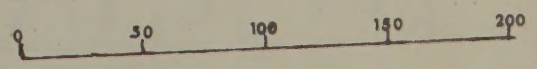

This communication is being furnished to you for information and for your consideration. It contains information which has been furnished to the Department of the Navy by the Bureau of Naval Personnel, and it is requested that you advise the Bureau of the results of your consideration of this information. The information is being furnished to you for your information and for your consideration. It contains information which has been furnished to the Department of the Navy by the Bureau of Naval Personnel, and it is requested that you advise the Bureau of the results of your consideration of this information. The information is being furnished to you for your information and for your consideration. It contains information which has been furnished to the Department of the Navy by the Bureau of Naval Personnel, and it is requested that you advise the Bureau of the results of your consideration of this information.

Very respectfully,
John D. Ford
Secretary of the Navy

Belmont, J. Edgar
Director, Federal Bureau of Investigation
Washington, D. C.

Very truly yours,
J. Edgar Hoover

Special Agent in Charge

Dear Sir:
Reference is made to your letter of the 10th instant, in which you request that the Bureau be kept advised of the progress of the investigation conducted by you in connection with the case of the late John Edgar Hoover, who was killed in the line of duty on the 10th day of October, 1935.
The Bureau is pleased to hear that you are conducting a thorough investigation of this case, and we are sure that you will be able to bring to a successful conclusion the investigation as soon as possible.
The Bureau will be kept advised of the progress of your investigation, and we will be glad to cooperate in any way that may be required.
Very truly yours,
J. Edgar Hoover
Director, Federal Bureau of Investigation
Washington, D. C.

- General Construction
- Minor Plumbing
- Repairs

OIL EXPLORATION ACTIVITY - INUVIK REGION - 1970-71

Seismic activity totalled 56 work weeks from Oct. 1, 1970 - April 15, 1971 including the following companies; Skelly, Imperial, Deminex, Elf, Canwest, Segma, Banff, Gulf, Mobil and Shell. Sixteen of the twenty-one crews working in the North were operating in or were based out of the Inuvik Region.

As of January 15, 1971 thirty big rigs were in various stages of operating throughout the North. Fifteen of these were working either in or were based out of the Inuvik Region including Imperial, Gulf, Shell, Banff, S.O.B.C. and Mobil.

OIL EMPLOYMENT SURVEY - INUVIK REGION - MARCH 1, 1971

The total number of Northern men employed in oil exploration programs in the Inuvik Region as of March 1, 1971 comes to 183. This does not include the men employed with service industries such as trucking and aviation.

<u>Home Settlement</u>	<u>Total</u>	<u>Description</u>
Aklavik	16	(10 with Shell, 3 with Imperial)
Cambridge Bay	2	(2 with Shell)
Ft. Franklin	3	(1 with Commonwealth Hightower, 2 Northern Geophysical)
Ft. Good Hope	26	(5 with Northern Geophysical, 14 with Ray Geophysical, 3 with Nabors Drilling, 3 with Northwest Study Group (pipeline Experiment))
Ft. McPherson	8	(6 with Imperial)
Ft. Norman	12	
Inuvik	98	(23 with Shell, 17 with Imperial)
Norman Wells	1	(Fortier Assoc., Arctic Islands)
Old Crow	2	(2 with Imperial)
Tuktoyaktuk	12	(10 with Imperial)
Pipeline Training	<u>3</u>	(1 each from Tuk, Ft. Franklin, Inuvik with Alberta Gas Trunkline)
	<u>183</u>	

It is estimated the total number of men in oil employment is 1100 with 500 out of Norman Wells and 600 out of Inuvik. With 183 northerners working, this is 17% of the total work force.

Continuing & Special Education
Inuvik Region.

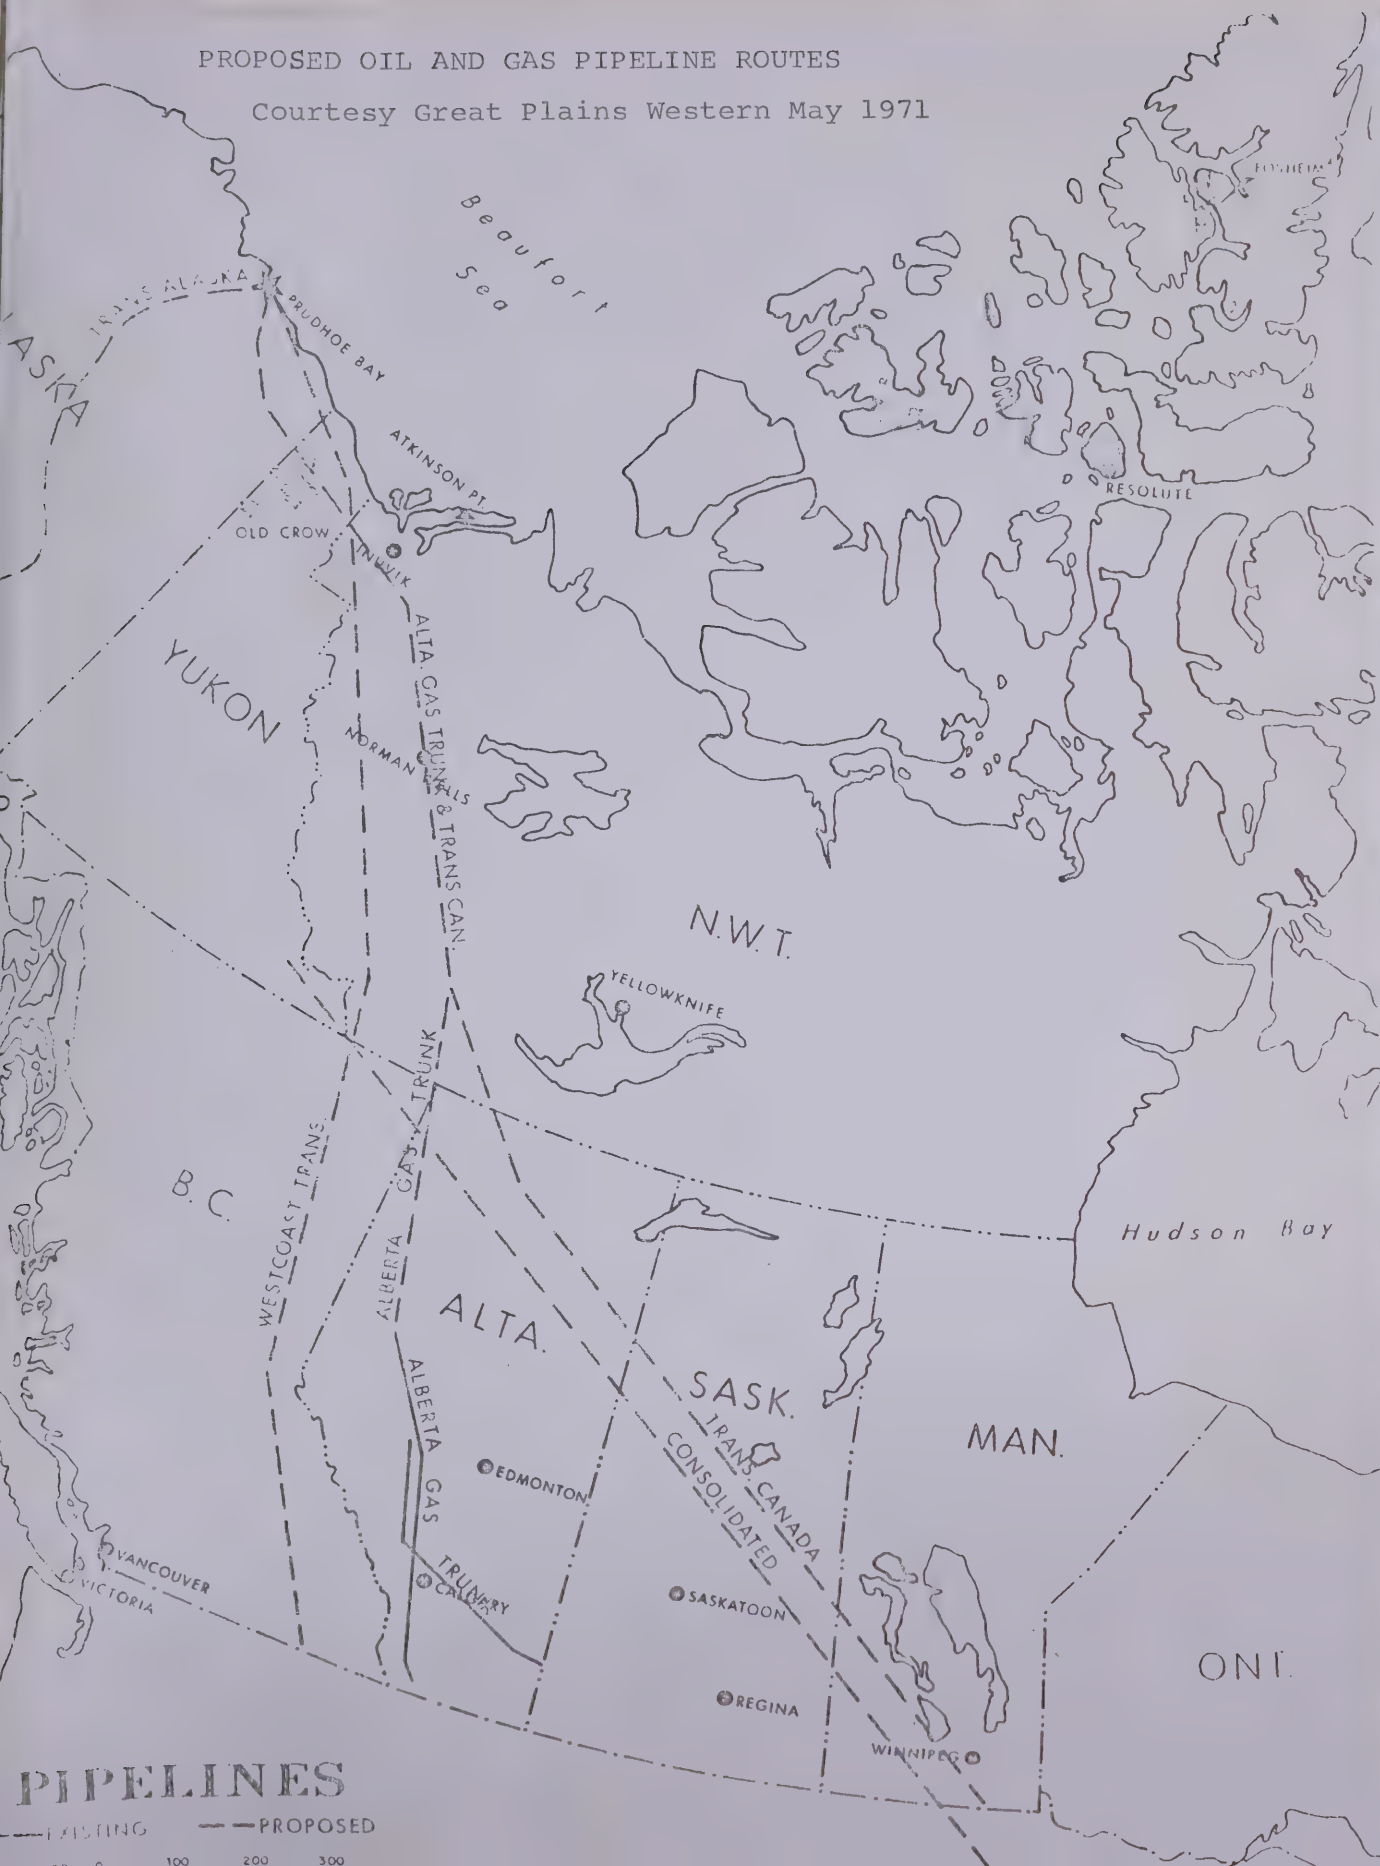

Petroleum Expenditures Yukon, N.W.T. and Arctic Islands
1970

Net Cash Expenditures of the Crude Petroleum & Natural Gas Industry - 1970 *
Preliminary

	Yukon, N.W.T., Arctic Island	Canada
1. <u>Geological and Geophysical expenditures</u>		
a) Seismic Crew expenses	42,444	103,648
b) All other geological and geophysical expenses....	16,513	73,233
2. <u>Land and Lease acquisition and retention</u>		
a) Permit fees and acquisition costs.....	898	74,730
b) Non-producing acreage retention costs.....	3,498	64,270
c) Producing lease and surface rentals.....	30	15,344
3. <u>Exploratory Drilling.....</u>	55,023	180,670
4. <u>Development Drilling.....</u>	484	85,420
5. <u>Other capital expenditures</u>		
a) Tangible well and lease equipment.....	276	82,100
b) Pipelines and related facilities.....	282	12,943
c) Secondary recovery and pressure maintenance projects.....	41	16,287
d) Natural gas processing plants.....	--	183,429
e) All other capital expenditures.....	4,115	16,212
6. <u>Field, well and pipeline operations.....</u>	1,022	181,202
7. <u>Natural gas plant operations</u>	--	74,720
8. <u>Other operating expenditures</u>		
a) Taxes (excluding income taxes).....	38	16,853
b) Royalties.....	254	198,479
c) Interest expense.....	23	57,707
d) other.....	<u>1,606</u>	<u>31,066</u>
TOTAL	<u><u>126,547</u></u>	<u><u>1,468,313</u></u>
